

<Introduction>

United States: “Resurrected country of the beast” by Jeremiah

Today, I would like us to see how the U.S as the country of the beast will be destroyed by a huge war but miraculously resurrect a short while to later control the whole world as the global empire.

<U.S is the key country in End Times>

Some say the U.S is not mentioned in the Bible, but as far as I am concerned, this is completely wrong. The U.S is the country that the Bible always prophesized to appear, so we won't be able to understand the events in End Times unless we understand this country.

<The country of the beast will be fatally wounded>

The fact is that the U.S, the country of beast, will be fatally wounded is mentioned in Revelation as below.

Revelation 13:3 One of the heads of the beast seemed to have had a fatal wound, but the fatal wound had been healed. The whole world was filled with wonder and followed the beast.

Here, it says that U.S which is one of seven heads will be beaten to death, which means it will be destroyed so badly by a war with wound, disaster, and damage that it is impossible to resurrect. However, as it says, “the fatal wound had been healed”, it describes that U.S will recover from the devastation with surprising speed.

It also describes that as the whole world witnesses the resurrection, all countries in the world will come under the control and authority of the U.S.

As you can see, it is clear that the future events such as the devastation of the U.S as a result of a war and its recovery will become an important key in End Times.

<Is 9.11 part of this?>

My understanding is that the so called 9/11 terrorism attack was what we looked at as a disaster to the U.S and its recovery. Many people say the U.S has changed since 9/11 attack. Because the U.S insisted that they were brutally attacked by Muslims, Islamic countries including Iraq came under attack. The 9/11 event was used as a great excuse for the U.S to attack other countries.

In addition, in the U.S, information and media has been controlled to “protect against terrorism activities”, emails and personal information have also been monitored by the government. The 9/11 terrorism became an excuse for the U.S government to implement suppression of speech and obtain personal information. Just because it is officially for protection against terrorism, many unreasonable restrictions have been justified in the U.S.

We can understand that this is an example of what is going to happen in the future, which means the disaster to the U.S will become a great excuse for the country to conduct military rule over the world, after it has resurrected with military power.

Because the U.S received catastrophic damage through war, it is quite possible that exercising control over the world by U.S could be justified to prevent “the world wide war from taking place again”. The scripture in Revelation which goes thus; “the fatal wound had been healed. The whole world was filled with wonder and followed the beast”, this seems to describe exactly how the U.S in the near future will come to control the whole world.

<10 horns will resurrect>

When you hear that the U.S is destroyed by a war and will resurrect later, it may sound like a Sci-Fi movie or something, but it is actually not as ridiculous as you may think. If you read the Bible carefully, there are many other descriptions which implies the resurrection of the beast in End Times. Below is an example.

Daniel 7:24 The ten horns are ten kings who will come from this kingdom. After them another king will arise, different from the earlier ones; he will subdue three kings.

It describes the 10 horns of the country of the beast in End Times here. It may look nothing unusual to see “ten kings who will come from this kingdom”, but in Greek, it

says “ten kings who will resurrect from this kingdom” with the word Anastasia. To resurrect, you have to die first, so we can see that the Bible indicates that the country of the beast with 10 horns and 7 heads will almost die once, but miraculously resurrect.

<U.S has another underground government >

In this way, it is obvious that some parts of the Bible prophesize destruction of U.S and its resurrection, so what is the current situation of the U.S? Actually, U.S has another underground government as if they know the day of destruction by nuclear weapon is coming. Below is the article from Mainichi News.

Secret underground base in U.S

<From the news>

Secret underground government:

U.S president admits its existence for preparation against nuclear terrorism (Mainichi News the 2nd of March 2002)

Chiyako Sato in Washington D.C

It was revealed on the 1st of March that the Bush administration in the U.S has secretly organized “Secret underground government” in an underground vault in east coast, away from capital Washington D.C, where 100 senior government officials in turn take part in operations. Various government sources confirmed the article published by Washington Post on the same day, and the presidency also admitted by stating “We are serious about the continuity of the government”.

This underground government is called "Shadow government". There was a similar plan during the cold war when former Soviet Union could conduct nuclear attack, but this is the first time to actually put the plan into practice. This time, it is considered that Al Qaeda could obtain portable nuclear weapons and attack with them.

Around 75-150 government officials are selected and live in underground base with generators, telephones, and computers. They operate 24 hours a day and take turn in 90 days. The officials are strictly banned from leaking the information, and only allowed to contact their friends and families through telephone operators.

Although there is no concrete evidence that Al Qaeda has obtained nuclear weapons, there is a concern about its possibility, according to sources close to the President. Underground government stocks and supplies food and water for American citizens in case of emergency, as well as taking care of traffic management, maintaining energy supply and telecommunication.

In worst case scenario, if Washington D.C gets destroyed by nuclear attacks and loses its governmental function, Vice President Cheney is said to operate the underground government.

So, why does U.S have a secret underground government? The reason is said to be for preparation against terrorism, but it doesn't seem to be the case, actually. Rather, it seems that the U.S is preparing for the X-day which is when the country is destroyed by war as described above, therefore U.S can be prepared for recovery, even though the entire country gets attacked by nuclear weapon.

We can see that they are establishing the underground government, because they assume one day there will be a nuclear war. You can avoid the effect of a nuclear bomb attack if you hide underground, and the influence of the Ash of Death will become half in about a week, so as long as you hide underground during that period, you will be fine. U.S is really taking this seriously, and preceding the project based on the assumption that the day will definitely come.

<Underground army base in U.S>

Plus, U.S not only has underground government, but has also established the secret underground base around one mile deep. There are airplanes and even warships on standby. Also, major cities in the U.S are connected by underground transport networks. It may sound like a fairy tale or some sort, but there are lots of pictures of underground base posted on Youtube. You can search with “Underground base” for example.

<U.S is seventh and head of eighth >

The fact that U.S was critically damaged once and resurrected is described in Revelation 17.

Revelation 17:11 The beast who once was, and now is not, is an eighth king. He belongs to the seven and is going to his destruction.

Here, it is written that the U.S is the beast who once was, and now is not, therefore “he belongs to the seven” and also is “an eighth”. The question is why U.S can be both seventh and eighth.

If we consider this from Gematria’s point of view, number 8 represents resurrection. The Lord Jesus has also resurrected on the first day of the week. 8 is biblically the number of resurrection. So, an eighth king means the resurrected U.S which was a seventh king. This shows that there are two U.S as described below, before and after resurrection.

A seventh king, the Current U.S, before it struck by war, disaster and resurrection doesn’t have 10 horns yet.

An eighth king: Resurrected U.S after war disaster. Has 10 horns.

<On the day of disaster, Babylon and the American Christian church will be destroyed>

If the day really comes when U.S actually gets destroyed by war, it will indeed be a horrible day. The Bible describes this day as the day when Babylon who committed adultery gets consumed by fire.

Revelation 18:8 Therefore in one day her plagues will overtake her: death, mourning and famine. She will be consumed by fire, for mighty is the Lord God who judges her.

18:9 “When the kings of the earth who committed adultery with her and shared her luxury see the smoke of her burning, they will weep and mourn over her.

18:10 Terrified at her torment, they will stand far off and cry: “ ‘Woe! Woe to you, great city, you mighty city of Babylon! In one hour your doom has come!’

The day when U.S gets under nuclear attack, it will be a preplanned war, so the main people of this country will go hide underground. However, other people will have to die. This day of destruction also has been prophesized in Revelation as the judgment upon Babylon.

Babylon was not burned down in a day as described in Revelation in the past, but it could easily happen now with nuclear missile. So, we as Christians who have our eyes open have to understand this.

Tunnel excavator for building underground base

Right now, God is not accepting or approving demon’s revival meeting in the U.S, false doctrine of End Times which is represented by Left Behind, or Pre-rapture theory. So, we need to know that He has already prophesized that the day will come when God’s judgment comes upon the rebellious church even 2000 years ago.

<Resurrected U.S will reveal the true nature>

It is after its resurrection when U.S reveals its nature as the beast. The scripture below implies that.

Revelation 13:1 The dragon stood on the shore of the sea. And I saw a beast coming out of the sea. It had ten horns and seven heads, with ten crowns on its horns, and on each head a blasphemous name.

13:2 The beast I saw resembled a leopard, but had feet like those of a bear and a mouth like that of a lion. The dragon gave the beast his power and his throne and great authority.

13:3 One of the heads of the beast seemed to have had a fatal wound, but the fatal wound had been healed. The whole world was filled with wonder and followed the beast.

13:4 People worshiped the dragon because he had given authority to the beast, and they also worshiped the beast and asked, “Who is like the beast? Who can wage war against it?”

From here, we can see that it will be when U.S obtains 10 horns, which means this country resurrects as eights head, that the whole earth will fear the U.S and obey this country of the beast because of its military power, saying “Who is like the beast? Who can wage war against it?”

And the day will also see the completion of 42 months, 3 years and half, of Tribulation.

Revelation 13:5 The beast was given a mouth to utter proud words and blasphemies and to exercise its authority for forty-two months.

13:6 It opened its mouth to blaspheme God, and to slander his name and his dwelling place and those who live in heaven.

Also, the Tribulation will come upon all over the earth. Because U.S will control all over the earth. As I reported before, the trend in U.S at the moment is to arrest people who confess the name of Jesus or preach the Gospel. This means people are encouraged to hate anyone who loves Jesus. This will be accelerated when U.S reveals its true nature as it resurrects as eights king, and accomplished as persecution towards righteous Christians in the world.

However, we need to know that anyone who keeps the word of the Lord is promised protection as described below.

Revelation 3:10 Since you have kept my command to endure patiently, I will also keep you from the hour of trial that is going to come on the whole world to test the inhabitants of the earth.

It is time to stop listening to silly stories like pre-tribulation theory, Europe being the country of beast, and so on. We have to judge the era properly to find who the country of beast really is.

The underground base is big enough to accommodate even warship.

<Warning from God to pastors and teachers who ruin the church>

Pastor Jeremiah once gave a few messages about “Warnings to teachers”, I also felt that God was speaking to me about this, so I would like to talk about it here.

I will follow the scripture. Below is where we learned at discipleship training on Saturdays.

Jeremiah 12:10 Many shepherds will ruin my vineyard and trample down my field; they will turn my pleasant field into a desolate wasteland.

You may be surprised to hear that this scripture mentions that many pastors will ruin “vineyard” which means “church”. Pastor Jeremiah said “Pastors will cause trouble before God”. Of course, not every pastor and teachers will cause trouble. The example of

those who will cause trouble before God may be someone who preach things like “Christians will be ruptured without going through Tribulation”, “Second coming of Christ is the happiest moment for all Christians”, or “Only non-believers will be judged”. Also, if you don’t try to understand the meaning of parables or what the scriptures really teach us, and emphasize God’s love and blessing without God’s judgment and disaster will also be seen as “pastors and teachers who will cause trouble before God”.

In terms of trouble, I am reminded when Jesus spoke to the Pharisees and rabbis, He said “Woe to you” which could also mean “trouble”.

Luke 11:42 “Woe to you Pharisees, because you give God a tenth of your mint, rue and all other kinds of garden herbs, but you neglect justice and the love of God. You should have practiced the latter without leaving the former undone.

Pharisees and rabbis were like pastors and teachers in modern days. They may represent leaders of the church as well. Anyway, Jesus clearly said those people were “hypocrites”. The reason why Jesus said that was because they neglected “**justice**” which also means “judgment” (KJV).

I am guessing the message preached by Pharisees and rabbis may have been “It is easy for Christians to enter the kingdom of heaven!”, just like how current Christian church are saying. Therefore, I wonder if they neglected the most important messages which are related to eternal life, such as “judgment” or “repentance”. As I talked about “justice” before, you may give offerings and preach God’s love, but not talk about judgment. Indeed, giving offerings and talking about God’s love is important, but as is written “You should have practiced”, “God’s judgment” is more important. Simply put, I suppose no matter how you give messages, you will be unable to lead people to eternal life without mentioning this.

Also, in terms of “hypocrites”, there are phrases like “false apostles”, “false brothers”, or “false prophets” in various parts in the Bible. In fact, “false” is translated as “misunderstanding” in KJV (King James Version). This means that those pastors and teachers are misunderstanding the words of the Bible and teaching it wrong.

Put it this way, for example. Say, someone hired a private tutor to enter the high level school. Normally, this tutor will teach enthusiastically to help this person pass the entrance exam. But he actually teaches $1+6=10$ instead of 7. If the tutor teaches

everything in this way, what will happen to the student? He will definitely fail the exam for sure.

Also, you wouldn't want to be taught by the same tutor, either. I don't know if this is appropriate example, but I wonder if this is relative to pastors and teachers who teach the Bible. As you continuously teach wrong doctrines, you end up leading your congregation to "Gehenna" not "The kingdom of heaven".

The tutor's story is only the worldly example. In this case, there is a second chance. You only need to change to a better teacher. But, as I have already said many times before, you have just "one chance" to have eternal life. If you keep receiving the wrong teaching from false teachers while on earth, you will end up living in completely wrong direction. For example, when a messenger encourages pre-rupture theory, his people will not prepare themselves for Tribulation. Also, despite the fact that we are told to live as disciples, if you don't mention it, people may think it is OK to live just as part of a crowd. Then, I think you will not end up receiving "eternal life" but rather "eternal punishment".

Therefore, as pastors and teachers keep heading to cause troubles, they will end up just like Pharisees and rabbis and, in worst case scenario, they could invite the wrath of God. The scripture says like this.

Matthew 23:13 "Woe to you, teachers of the law and Pharisees, you hypocrites! You shut the door of the kingdom of heaven in people's faces. You yourselves do not enter, nor will you let those enter who are trying to.

23:15 "Woe to you, teachers of the law and Pharisees, you hypocrites! You travel over land and sea to win a single convert, and when you have succeeded, you make them twice as much a child of hell as you are.

Now, I want you to have a look at the portions underlined. They are telling us if you keep doing that, you may end up taking the people you are pastoring into eternal punishment. On the flip side, this scripture is telling us even believers also can face the same punishment as those pastors or teachers who are called as "disaster" or "hypocrites" when you follow them. If you allow me to insist, God may be telling us to avoid such incident in advance. I hope I am not missing the point, but when we look at

the current Christian church pastors, and teachers from spiritual point of view, I think many of them are being a “disaster”. Or, even if they hear about the warning, they may not listen carefully or bother about the consequences. I wonder what you think? As a person, I hope that is not the case... We should repent (change direction) so that at least God will not see us as “hypocrites” or “disaster”.

I pointed this out because I thought that the scripture of “even teachers will cause troubles in God’s presence” is indeed being fulfilled in this era of End Times. As I said in the beginning, Pastor Jeremiah continuously preached this before, but I appreciate if you could listen to this once again.

May glory and honor be given to God who always teaches us the important lessons.

Amen

Pharisees are hypocritic rabbis.
