

<Introduction>

“The Lord is going to be crucified again” By Jeremiah

This time, I would like us to examine the topic, “The Lord is going to be crucified again”. Revelation prophesies about this as below.

Revelation 11:8 Their bodies will lie in the public square of the great city—which is figuratively called Sodom and Egypt—where also their Lord was crucified.

When we think about this scripture, there is one thing we need to understand clearly. That is that the Lord Jesus was indeed crucified more than 2000 years ago, but He hasn't been crucified again after that, of course.

The Lord was resurrected and ascended to heaven but there is no way that He would come back to the earth to be crucified again. The Bible doesn't mention that and we need to be clear on this. So, when we try to understand this, we have to think that there are going to be other possibilities. So, what is described below comes to mind.

<Another Comforter>

John 16:7 Nevertheless I tell you the truth; It is expedient for you that I go away: for if I go not away, the Comforter will not come unto you; but if I depart, I will send him unto you.

Here, the Lord is talking about the Holy Spirit who is another Comforter. And the church era is not the era of Jesus in the flesh but rather the Holy Spirit is seen as another Comforter. Therefore, we can see that what is crucified again in End Times will be the Holy Spirit, not the Lord in the flesh.

<The Life of Jesus as Holy Spirit>

In the gospel of John, the Lord is comparing Comforter (Jesus Christ) and another Comforter (Holy Spirit) and describing the difference in each's work. What we can think is that not only does John describe accurate records of historical life of Jesus, but he also prophesizes the work of Holy Spirit and what happens in the future. I think it is fair to

understand this that way.

Jesus in the flesh opened the eyes of a blind man, ears of the deaf, and healed cripples. In the same way, another, the Comforter Holy Spirit is going to open our spiritual eyes and ears, as well as heal unfaithful ones to help them walk the faithful life.

Therefore, healing miracles and the works of Jesus described in John are also prophesy of the future. We can understand that they describe how another Comforter will help, save, and encourage us in the church era.

The other thing is that what is described as the life of Jesus in John is indeed that of Jesus the Nazareth but it can also be seen as a prophesy about how the Holy Spirit is going to be treated in the church era.

If you think about what the life of Jesus was, it all started with enthusiastic welcoming by the crowd. As the “story of 5000 meals” suggest, many people came to listen to what Jesus had to say which means He was popular as a charismatic leader.

However, the situation changed later on. The crowd who have been misguided by rabbis and Pharisees have changed their attitude. They started to heavily accuse Jesus as a fraudster and liar. Imagine how innocent Jesus was crucified, lost His life in Jerusalem as the crowd continuously yelled at him. He was counted as one of the criminals, lost His reputation, and was killed.

<The History of Holy Spirit is the same as the history of Jesus>

Now, we can understand that the life of Jesus the Comforter implies the life of the Holy Spirit and its history of the church era. This means that the work of the Holy Spirit was welcomed by the church first but it will get treated differently after the long church era. At the end of the rebellious End Times, Holy Spirit is also going to be kicked out of the churches and could even be crucified. As we take a look later, there are many scriptures which seem to imply that such day will come indeed.

Let’s take a look at the history of the Holy Spirit in the church era. Another Comforter who came down on the day of Pentecost was initially welcomed by the churches including the early churches, and started its work. It is this Holy Spirit which was the

foundation of the churches' work and the churches in fact progressed under its help. We have been walking in the blessings.

However, as we are headed towards the end of the church era, things have been changing in the churches for the last couple of centuries. The works of demons have sneaked into the churches. For example, the revival of Pensacola in Toronto which is the third wave of the Holy Spirit and getting very popular is definitely the revival of demons, not God's Spirit.

<Binding the demons>

In the movement, they often talk about "binding the demons". I assume that this will bring a bad consequence. What I mean by this is that these people who think they are binding the demons will eventually end up binding Holy Spirit. The Bible mentions about "binding the strong man" as below.

Matthew 12:29 Or else how can one enter into a strong man's house, and spoil his goods, except he first bind the strong man? and then he will spoil his house.

It talks about how you need to bind the strong man in order to enter the house protected by the person. This happened when Jesus was around. The house of Israelites was protected by Jesus who was the strong man. So, Satan decided to bind Jesus as below.

Matthew 27:2 And when they had bound him, they led him away, and delivered him to Pontius Pilate the governor.

As you can see, Jesus the strong man was bound by the plan of Satan and consequently His people started to get confused by Satan. They went against Rome and were defeated by the Roman army. Every single person of Jerusalem was defeated by Rome. This was because they bound Jesus the strong man who was protecting them. As a result, they destroyed themselves by getting into Satan's delusion.

In the same way, "binding the strong one and demons" which is taking place at Pentecostal churches at the moment will eventually be misused by the rebellious churches. Then they will bind the Holy Spirit. The scripture below seems to indicate the event.

Hebrews 10:29 Of how much sorer punishment, suppose ye, shall he be thought worthy, who hath trodden under foot the Son of God, and hath counted the blood of the covenant, wherewith he was sanctified, an unholy thing, and hath done despite unto the Spirit of grace?

30 For we know him that hath said, Vengeance belongeth unto me, I will recompense, saith the Lord. And again, The Lord shall judge his people.

What happens to “**who hath trodden under foot the Son of God, and hath counted the blood of the covenant, wherewith he was sanctified, an unholy thing, and hath done despite unto the Spirit of grace**” will be seen amongst Pentecostal churches as they progress in their revival movement.

And one day Christians of the rebellious church will be misled by the signs and wonders of demons. They will consequently lose judging ability and start calling Holy Spirit demons before binding Him.

We can understand that this “**who hath trodden under foot the Son of God, and hath counted the blood of the covenant, wherewith he was sanctified, an unholy thing, and hath done despite unto the Spirit of grace**” indicates the Christians who are confused and have the wrong idea.

<People are going to split into 2 or 3 groups and fight>

What will happen when Holy Spirit comes down on the earth? Are we all going to be filled with it and becoming happy? Well, it doesn't look to be that will be the case. Instead, Lord prophesized that there will be separation and conflict on the earth when Holy Spirit comes down on the earth as below.

Luke 12:49 I am come to send fire on the earth; and what will I, if it be already kindled?

12:50 But I have a baptism to be baptized with; and how am I straitened till it be accomplished!

12:51 Suppose ye that I am come to give peace on earth? I tell you, Nay; but rather

division:

12:52 For from henceforth there shall be five in one house divided, three against two, and two against three.

12:53 The father shall be divided against the son, and the son against the father; the mother against the daughter, and the daughter against the mother; the mother in law against her daughter in law, and the daughter in law against her mother in law.

Lord has described that as Holy Spirit comes down on the earth, He will not bring the peace or unity, but rather separation and conflict. This is a truth. Holy Spirit that came down on the day of Pentecost did exactly that to the Jewish people. While people like the twelve disciples received this as God's blessing, Pharisees and rabbis didn't receive the Spirit and prosecuted the disciples as rebellious cults. The people of God were separated and started to fight against each other because the fire came down. Then Stephen was martyred.

This will probably happen in End Times. God's Spirit will come down to the earth, but what He brings as the result is the separation and conflict amongst New Testament churches. The battle is prophesized as below.

Revelation 6:3 And when he had opened the second seal, I heard the second beast say, Come and see.

6:4 And there went out another horse that was red: and power was given to him that sat thereon to take peace from the earth, and that they should kill one another: and there was given unto him a great sword.

What is written as **another horse that was red** seems to be God's Spirit like the Holy Spirit which came on the day of Pentecost. But the Spirit will not bring the peace and unity. He will bring the separation and conflict.

The reason why this happens is that there are two Spirits: Holy Spirit and Demons. That is why there are anger and intention to kill. The scripture below also can be seen as a prophesy of the day.

Mark 13:12 Now the brother shall betray the brother to death, and the father the son; and children shall rise up against their parents, and shall cause them to be put to death.

13:13 And ye shall be hated of all men for my name's sake: but he that shall endure unto the end, the same shall be saved.

Because the Holy Spirit descends, there will be separation of brothers in the church and they start accusing each other. This is as the result of some Christians receiving Holy Spirit and the other Christians getting demons. There is also a prophesy of Christians getting accused and arrested known as the day of tribulation. It is stated as below.

Matthew 10:25 It is enough for the disciple that he be as his master, and the servant as his lord. If they have called the master of the house Beelzebub, how much more shall they call them of his household?

<Holy Spirit is going to be driven out>

Through those spiritual battles and accusations, the Holy Spirit will eventually be driven out of the rebellious churches as written below.

2 Thessalonians 2:6 And now ye know what withholdeth that he might be revealed in his time.

2:7 For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way.

This scripture prophesizes that the churches will become rebellious which means one day they become against the teaching of Christ. At the same time, it also prophesizes that what **withholdeth that (Holy Spirit)** will be **taken out of the way**. It is almost like an alcoholic and gamble addict husband who kicks his wife out and goes deeper into destructive lifestyle. The rebellious churches will end up driving out the Holy Spirit that has been working as a fortress. As the result, the churches will continue to be confused by the anti-Christ.

Once again, please understand that the Holy Spirit will be taken away from the

churches in End Times. This is because the scripture tells us so. This also means the repetition of the day; the day when Jesus was driven out of Jerusalem which is the city of God and crucified outside the city while getting accused by the crowd. Now, the scripture below also describes about Holy Spirit getting driven out of the church.

Revelation 3:20 Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me.

At Laodikeia, the last church of seven churches, the Lord is already not inside but got kicked out. And He is knocking the door from outside. This is exactly how the Holy Spirit will look like as He is seen as demon, bound up, and **taken out** despite He is the one who keeps anti-Christ out. What is knocking the door of the seventh church in the church era is not the Lord in flesh. Because the Lord in flesh is nowhere to be seen at the end of the church era. Instead, it is appropriate to understand that this is the Holy Spirit who keeps knocking the door of the church from outside.

<Lord is going to be crucified again>

Through these rebellious days, we can understand that the churches are going into blasphemous state, so much so they actually crucify Jesus again. That is what is described in Revelation we looked at the beginning.

Jesus of Nazareth was crucified in Jerusalem which was the center of the God's people in the Old Testament. The history will be repeated, and God's Spirit is going to be driven out and crucified. Therefore, the church will be destroyed, dominated by anti-Christ, and the rebellious Christians will receive the stamp of beast "666". There are enough reasons for this. We need to realize that the churches will be dominated by the beast as a result of the wrath of God because of their rebellious attitude.

<Japan is going to lead Christian churches> by E3

This time, I would like to share what I learned from the discipleship meeting on Saturday. As you all know, Christianity came from western countries and the Christian population in Japan right now is very low, so you may find it hard to believe that Japan is going to lead the Christian churches. But, Remnant church has come to realize that Japan will indeed be leading one day through the Bible scriptures and messages, so we would like others to know this as well. This has to be something related to you. Below is the message given by Ps. Jeremiah.

Genesis 49:1 And Jacob called unto his sons, and said, Gather yourselves together, that I may tell you that which shall befall you in the last days.

Jacob later is called Israel and expands into 12 tribes. This part is about prophesying to each tribe. Let's have a look at Judah's case.

Genesis 49:8 Judah, thou art he whom thy brethren shall praise: thy hand shall be in the neck of thine enemies; thy father's children shall bow down before thee.

48:9 Judah is a lion's whelp: from the prey, my son, thou art gone up: he stooped down, he couched as a lion, and as an old lion; who shall rouse him up?

The "lion" is the symbol of Judah. By the way, Japanese emperor's family comes from Judah. Also, many things in Japan can be related to the "lion". For example, the lion grew fast when Japan decided to adopt the foreign culture. However, it could be described as "couched" when Japan lost the war or had a nuclear power plant disaster. Right now, Japan is not taking part in the battle that Christians are involved, but according to the prophecy of the Bible, it will eventually return to how the lion should be. This is the time when Japan will rise as the fighter and it is understood to occur at the Lord's time.

Genesis 49:10 The sceptre shall not depart from Judah, nor a lawgiver from between his feet, until Shiloh come; and unto him shall the gathering of the people be.

As is written, "**The sceptre shall not depart from Judah**", Judah was a leader of 12 tribes. It is also seen in **unto him shall the gathering of the people be**. By the way, Revelation

describes **And I saw another angel ascending from the east, having the seal of the living God:** and this is when **“The sceptre shall not depart from Judah”** is fulfilled. Now, Mongolia, China, Korea, Taiwan, and Japan are all part of 12 tribes. The leader will come from Japan which means Japan will become the leader amongst Christian churches. Lawgiver is equivalent to teachers. Shiloh means Messiah and this was fulfilled when Jesus came to the earth. This means the work of Holy Spirit will be done through Japan.

Genesis 49:11 Binding his foal unto the vine, and his ass's colt unto the choice vine; he washed his garments in wine, and his clothes in the blood of grapes:

“Foal” also represents Holy Spirit and “vine” is related to Holy Spirit as well. “Garments” is about righteousness. Therefore, Judah (Japan) seems to sanctify their sins and behaviors by the Holy Spirit so that they will become righteous. That is what this scripture seems to be describing.

49:12 His eyes shall be red with wine, and his teeth white with milk.

“Wine” is also a parable of the Holy Spirit and “milk” is that of scripture. This can be understood to be prophecy of Japan in End Times. This means Judah (Japan) does the work of Holy Spirit and scriptures, so we should look beyond the current situation when serving and understand that Japan will be used in this way one day.

What do you think? Hope you have somehow come to realize that Japan is the lion of Judah and will become a leader of Christian churches worldwide in the future.

By the way... as Ps. Jeremiah said “I would like us to serve not based on the current situation but knowing what could happen to Japan in the future”, we at Remnant Christian church issue “Monthly Bible” for non-Christians to share about God and Jesus with them. This is a newsletter for non-Christians and we post around 1000 copies per month. We are also sending them to family members and friends, and it is all because we believe Japan will rise up to come back to Christ in God’s time.

We really hope that one day this work is used by God and many people will be saved. I understand that it may seem unrealistic that such day will come at the moment, but what we believe is that because it is prophesized in the Bible, such day will definitely

come. That is why I shared this with you, so hopefully you would also understand this too.

Sleeping lion (Japan) will one day lead Christian churches in the world.
