“Babylon the harlot” by Jeremiah

This time, we would like study about “Babylon the harlot”.

Babylon was destroyed a long time ago, but the Bible describes that it will reappear in End Times as we can see from the scripture reference below.

Revelation 17:5 And upon her forehead was a name written, Mystery, Babylon The Great, The Mother Of Harlots And Abominations Of The Earth.

I would like us to think about what this Babylon in End Times actually means. To give you my conclusion first, I believe that Christian churches in the U.S are Babylon in End Times.

This is the fundamental belief of this article and I will explain the reasons later.

<Babylon means confusion>

Babylon, is literally derives from the word Babel meaning (confusion). The story of the tower of Babel is described as we can see from the scripture reference below.

Genesis 11.9 Therefore is the name of it called Babel; because the Lord did there confound the language of all the earth: and from thence did the Lord scatter them abroad upon the face of all the earth.

There are certainly confusions amongst Christians in the U.S with so many non-biblical doctrines and false spirits around. Pre-tribulation rapture theory is a classic example; it is non-biblical yet widely spread throughout the U.S and beyond.

<The meaning of the captive of Babylon >

Now, the significance of Babylon in the Bible is that the people of Judah were captured. It is described as we can see from the scripture reference below.

2 Chronicles 36:18 And all the vessels of the house of God, great and small, and the treasures of the house of the Lord, and the treasures of the king, and of his princes; all these he brought to Babylon.

36:19 And they burnt the house of God, and brake down the wall of Jerusalem, and burnt all the palaces thereof with fire, and destroyed all the goodly vessels thereof.

36:20 And them that had escaped from the sword carried he away to Babylon; where they were servants to him and his sons until the reign of the kingdom of Persia:

This scripture describes that the king of Judah and Holy equipment in the palace of God have been taken away to Babylon.

This is symbolical and prophetic because Christianity in every country is dominated by the doctrine of Babylon (the U.S). Also many Christians are influenced by confusing spirits that originates from the U.S.

<Unable to return to the Promised Land>

The most significant thing about prisoners of Babylon is that they are removed from the Promised Land which was given by their ancestor, and never able to return.

The land they were living in was what God gave Abraham, Isaac, and Jacob. The Promised Land has a big meaning which is the kingdom of heaven that God promised to us. It is written as we can see from the scripture reference below.

Hebrews 11:15 And truly, if they had been mindful of that country from whence they came out, they might have had opportunity to have returned.

11:16 But now they desire a better country, that is, an heavenly: wherefore God is not ashamed to be called their God: for he hath prepared for them a city.

So, the Promised Land God gave to their ancestors was actually the parable of the kingdom of heaven. Therefore when we see that they were taken out of this land and led to Babylon, it has a very big meaning in terms of the life of faith.

It is clear that anyone confused by Babylon and its doctrine as well as spirit will be taken away from the Promised Land which is also the kingdom of heaven. Frankly speaking, if you are spiritually influenced by what is happening in the U.S, you could lose the right to go into the kingdom of heaven.

“Revival of Pensacola” is like the wine of Babylon

<A doctrine in the U.S is the doctrine of Babylon>

A doctrine in the U.S is the doctrine of Babylon and anyone being influenced by this could lose the right to inherit the kingdom of heaven. It seems biblical but actually not.

I mean, does the Bible really say that “Any Christian can go to heaven”? The Bible tells us that not all Christians are the same, and some of them wouldn’t inherit the kingdom of heaven.

For example, the Bible says that there are wheat and poisonous wheat. Wheat is a parable of Christians.

Matthew 13:24 Another parable put he forth unto them, saying, The kingdom of heaven is likened unto a man which sowed good seed in his field:

13:30 Let both grow together until the harvest: and in the time of harvest I will say to the reapers, Gather ye together first the tares, and bind them in bundles to burn them: but gather the wheat into my barn.

Here, it says that good wheat is going to the barn but bad ones are going to be burnt. A barn is a parable of heaven and the fire must be a parable of the fire of destruction. So, we can see that there are two fates for Christians and if you don’t follow the word of God

you will be burnt by the fire.

Matthew 13, where it talks about bad fish being gathered and burnt and silly daughters getting kicked out of the house, it explains the same truth which is, Christians also could face judgment and punishment. You can see that the doctrine which teaches that Christians will never have to face judgment and punishment is far from truth.

<The wine of Babylon's fornication>

Revelation explains that Babylon lets its people drink the wine of fornication as we can see from the scripture reference below.

Revelation 14:8 And there followed another angel, saying, Babylon is fallen, is fallen, that great city, because she made all nations drink of the wine of the wrath of her fornication.

What does this wine symbolize? It is the blood of Jesus, also known as Holy Spirit.

1 Corinthians 11:25 After the same manner also he took the cup, when he had supped, saying, this cup is the new testament in my blood: this do ye, as oft as ye drink it, in remembrance of me.

The wine Jesus gave represents the Holy Spirit but Babylon's wine is not Holy but evil. It symbolizes the revival of demons.

< She made all nations drink >

The Book of Revelation also says that Babylon made all nations drink this wine of fornication. This has become real through the U.S. Benny Hinn and other strange revival leaders are classic examples.

<There is a sign of Babylon in the U.S>

You may think there is no relationship between the U.S and Babylon, but if you have a closer look you will find that there is a sign of Babylon in the U.S.

For example, The Statue of Liberty is said to symbolize “Isis” the goddess of Babylon. It is obvious then that it implies that the U.S has the potential to be another Babylon.

<Drinking the wine of Babylon will invite the wrath of God>

If you accept the wine of Babylon which means the revival of the Christian church in the U.S, it will invite the wrath of God and you will suffer the fire of hell. It is written as we can see from the scripture reference below.

Revelation 14:8 And there followed another angel, saying, Babylon is fallen, is fallen, that great city, because she made all nations drink of the wine of the wrath of her fornication.

14:9 And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand,

14:10 The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:

14:11 And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name.

As you read this scripture, you will know that drinking the wine of Babylon will lead you to worship the beast and its statue. That will make you have a stamp on either your forehead or hand. It also describes that you will consequently drink the wine of the wrath of God and suffer from the fire. We can now see the close relationship between “the wine of fornication” and “the wine of the wrath of God”.

<Babylon sitting upon a beast>

Also, it is described that Babylon is going to sit on a beast as below.

Revelation 17:3 So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven

heads and ten horns.

This beast with seven heads and ten horns is the U.S as we looked at before. A woman is Babylon which means Christian churches in the U.S. We can see from this scripture that these two can't be separated. Because the woman rides on the beast, she will go where the beast goes.

The churches in the U.S are completely influenced by the country. For example, when the government lies, saying "Iraq started the terrorist attack of 9/11", they blindly believed it and agreed on attacking Iraq despite the Bible says "Do not kill".

<Martyrdom occurs in Babylon>

The Bible prophesizes that there will be martyrdom based in Babylon as we can see from the scripture reference below.

Revelation 17:6 And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration.

When it says "**the woman drunken with the blood of the saints**", it describes that there will be martyrdom based in Babylon. This seems to have started already indeed.

In the U.S, Christians who are against same sex marriage and preaching the word of God are getting arrested. There are even Christians who accuse those righteous Christians. Therefore, the day will come when the blood of those righteous Christians will be shed.

<Babylon will be destroyed in a day>

So, the day will come when Babylon will get destroyed in a day after promoting the revival of demons and caused the wrath of God. It is stated as we can see from the scripture reference below.

Revelation 18:8 Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who

judgeth her.

I suspect that the U.S could be destroyed in a day by nuclear bomb attack. This attack will be pre-organized just like 9/11 and the important people of the U.S are believed to escape to the underground base. However, many Christians in the country will be killed by this.

<Christians in the U.S need to repent>

As you can see, the Bible warns to Americans quite often and prophesizes the day it gets destroyed. I repeat again that the doctrine taught in the U.S is far from what is written in the Bible, and its spirit is of the devil. The U.S even tries to spread the wine of demons to the rest of the world. That raises the wrath of God against Christian churches in the country and the churches will be destroyed in a day if not an hour. They need to repent and correct their lives.

Christians are getting arrested because they opposed to same sex marriage.

<The false contents of the original New Testament document> by E3

One Saturday in October last year (2015), Pastor Jeremiah mentioned about “the original New Testament document”. I thought that it needed to be known by many Christians, so I decided to share that with you this time. Hope you will find it interesting. Below is the message from Pastor Jeremiah.

The Bible prophesizes that there will be “bad wheat” in the church. When the church is not righteous, it allows many kinds of attacks from the enemy. This time I like us to look at “the false contents of the original New Testament document”. Let’s take a quick look at the history of the original New Testament document first.

The original New Testament was written in Greek 2,000 years ago. However, what Mark and Matthew wrote by themselves are not remained. Because they didn’t have a

copy machine, people carefully copied by handwriting. There are many copies like that at the moment; around 5300. It shows us how people thought the Bible was a very important book. These copies have been so carefully created and stored in a safe place.

Now, 95 to 97% of these copies are correct but the remaining 3 to 5% are incorrect or incomplete.

Codex Sinaiticus and Codex Vaticanus are included in here but I will talk about it later. What we can see here is that there are very few incorrect copies and most of the copies are correct. They are called "Majority text".

During the religious revolution in the 16th century, there was a great scholar called Desiderius Erasmus. He did an amazing job, creating the Greek Bible "Textus Receptus" based on the Majority text. This Bible has become the foundation of the Christian Bible.

By the way, King James Version is the exact copy of "Textus Receptus". It is also known as AV (Authorizes Version). That is why King James Version is said to be the most accurate Bible.

However, the false version of this "Textus Receptus" started to appear around 19th century through two dodgy British scholars, namely Westcott and Hort.

They ignored "Textus Receptus" and used Greek copies with lots of mistakes to create a Greek Bible. This was hugely influenced by Codex Sinaiticus and Codex Vaticanus which were found in 19th and 20th centuries in Egypt. The reason why they used them was simply because these were old copies.

The problem is that these copies contain a lot of mistakes. In the Gospel alone, Codex Vaticanus has these errors as below comparing to "Textus Receptus".

Codex Vaticanus has at least 2877 words deleted, 536 words added, 935 words replaced, and 2098 words moved around as well as 1132 words amended.

So, 7578 words in total have been in non-original state. Codex Sinaiticus is even worse with almost 9000 words being changed.

It is unbelievable to know that these two men used copies full of mistakes while intentionally ignoring the correct versions. They have indeed pretended that “old ones must be better”. They even claimed that the reason why 5000 of Majority texts are consistent is because people made an arrangement behind closed doors. It is completely nonsense.

The majority of the current Bible versions (ASV, RSV, NASV, NIV etc) are based on the copies made by Westcott and Hort, therefore there are so many incorrect descriptions.

The Japanese Bible is also based on these inconsistent copies. Therefore, there are chances that no matter how hard you read, you struggle to reach the truth. The reality is that the correct Greek original copy is seen as false and the real false ones are widely accepted. We need to know this reality. In Codex Sinaiticus, the word “Christ” seems to be intentionally taken away. The same words and phrases are repeated twice, and some parts aren’t even completed. They look like a bad student’s notebook and it is astonishing to learn that this is the foundation of the Bible we read now.

In addition, Westcott and Hort were both troublesome anyway. They performed “spiritualism” and talked to dead people. This indicated that they were manipulated by the different spirits and introduced the false teachings. Unfortunately, the translation work in Christianity has been led by those people.

So, what I think we have to do is to go back to the 19th century. King James Version is the only version which correctly reflects on the original Greek copy and that is why we are using it. Through this, we should understand that there is also a battle to read only the correct version of the Bible.

That is what Pastor Jeremiah preached. I personally thought it was very important. There is no doubt that we should get the correct message as we read the Bible, bearing in mind that there are many versions of the Bible out there.

I thank God who always teaches us very important teachings.

※ There is “New Covenant Bible (Japanese)” which has been based on King James Version.

Erasmus has created “Textus Receptus”; approved original copy
