

“The daily sacrifice is taken away” by Jeremiah.

Today, I would like to talk about “The daily sacrifice is taken away”. The book of Daniel which prophesies what will happen in End Times describes that the daily sacrifice will be taken away in End Times as below.

Daniel 8:11-13

11 It set itself up to be as great as the commander of the army of the Lord; it took away the daily sacrifice from the Lord, and his sanctuary was thrown down.

12 Because of rebellion, the Lord’s people and the daily sacrifice were given over to it. It prospered in everything it did, and truth was thrown to the ground.

13 Then I heard a holy one speaking, and another holy one said to him, “How long will it take for the vision to be fulfilled—the vision concerning the daily sacrifice, the rebellion that causes desolation, the surrender of the sanctuary and the trampling underfoot of the Lord’s people?”

I would like us to think about the meaning of this part.

<What is the daily sacrifice?>

First of all, how is the daily sacrifice mentioned in the Bible?

We will understand when we look where this phrase is used in the Bible. Below is a good example.

Numbers 4:16 And to the office of Eleazar the son of Aaron the priest pertaineth the oil for the light, and the sweet incense, and the daily meat offering, and the anointing oil, and the oversight of all the tabernacle, and of all that therein is, in the sanctuary, and in the vessels thereof.

According to this scripture, we can see that the daily sacrifice is the meat offering and the anointing oil.

Numbers 28:10 This is the burnt offering of every sabbath, beside the continual burnt offering, and his drink offering.

This part describes that the daily sacrifice is the burnt offering.

<The daily sacrifice doesn't exist anymore.>

As you have seen, we learned that the daily sacrifice could be; the meat offering, the anointing oil, or the burnt offering. However, we can't just use them in the End Times, because the temple no longer exists in this modern world. Therefore, those sacrifices are not used anymore.

Just like it is impossible to steal a \$100 note which is not in a wallet, it is also impossible to stop giving the daily sacrifice which is not being given. This means that we are not meant to try to take "The daily sacrifice is taken away" literally. Therefore, this somehow seems to be a parable.

<Lord explained how to understand the parable>

Our Lord explained how to understand the parable, and He actually told the disciples who couldn't understand as shown below.

Mark 4:13 And he said unto them, Know ye, not this parable? And how then will ye know all parables?

Also, the scripture below tells us that, what our Lord spoke were parables.

Mark 4:33-34

33 And with many such parables spake he the word unto them, as they were able to hear it.

34 But without a parable spake he not unto them: and when they were alone, he expounded all things to his disciples.

Everything Lord says is a parable. Since the Bible itself also testifies about Jesus Christ,

there are many parables used throughout the Bible. Therefore, this part in Daniel needs to be seen as a parable.

<There is no chance of the third temple to be built>

There are some people in the Christian church who are against the word of Lord and don't dare to understand the parable. According to such people, the third temple will be built and the daily sacrifice will resume in the future. It will take ages. So, it is fair to say that there is no chance that the third temple will be built in Jerusalem again.

The reason for that is because the Bible doesn't say that you can build the temple anywhere in Jerusalem, but it has to be on top of the Mount Moriah.

However, there is already the Muslims' golden Dome of the Rock. Since this is one of the three major Holy Places for Muslims, it is impossible for this temple to move. To tell them to move this location is almost like telling Japanese to move the imperial house because you want to build Disney Land there. It will be an insult and no one would ever accept the request.

In this way, it is not realistic to think that the third temple will be built therefore we need to see this as a parable.

<Meaning of the parable of the daily sacrifice>

What is the meaning of the parable of the daily sacrifice? For example, what does the meal offering mean?

My understanding is that the meal is related to bread; the same as scripture and message. In the same way, the anointing oil is God's oil which is related to Holy Spirit. The burnt offering then can be understood as the service provided by Christians.

<Weekly message is going to be taken away>

With regard to this sacrifice, Daniel 11 describes that the daily sacrifice is supposed to be given on a regular basis as below.

Daniel 11:31 And arms shall stand on his part, and they shall pollute the sanctuary of strength, and shall take away the daily sacrifice, and they shall place the abomination that maketh desolate.

Like I said, the daily sacrifice is understood to be a message which is given to God every week.

Therefore, when you say “The daily sacrifice is taken away”, it doesn’t mean the churches or Christians will disappear from the earth.

However, the accurate message which is the most important in the church will disappear and taken away. This implies that the country of beast will restrict the type of message that would be preached in the church. For example, they will not permit to preach that there is no salvation other than through Jesus Christ or God forbids homosexuality.

<Restriction is already in place against the church>

You may think there is no way that the U.S would interrupt in the message at the church but it is actually starting to happen right now.

The daily sacrifice

In 2014, we had an interesting incident in the U.S. The pastor of Sevens Day Adventist Church, Dr. Eric Walsh was required to submit his sermon notes by the officials of the State of Georgia.

He was employed by the state as a health advisor but when they found out that he was

preaching the message from the Bible on the weekends, he was fired. The State of Georgia then went on to sue him and this is when this request was made. Before the country or states never interfere with what the churches are doing or pastors are preaching.

What we can see from this incident is that the U.S is concerned about the messages shared in the churches and they even want to inspect what is being preached there.

Christians who are against the same-sex marriage and street evangelists are already getting arrested in the U.S. It is, therefore, obvious that when they start inspecting the messages preached in the churches, they will later ban them or punish preachers.

So, what is written in Daniel, the daily sacrifice is taken away, is about to become reality now?

<What kind of future is ahead of us?>

Now, what happens on the day the daily sacrifice is taken away? Let's take a look at Daniel 8.

Daniel 8:9 And out of one of them came forth a little (strong) horn, which waxed exceeding great, toward the south, and toward the east, and toward the pleasant land.

This scripture is related to the daily sacrifice getting taken away. It talks about a little strong horn which means that the reason the correct message is taken away in End Times is the U.S; the country of beast.

8:10 And it waxed great, even to the host of heaven; and it cast down some of the host and of the stars to the ground, and stamped upon them.

The power of the country of beast gets bigger and bigger and it ends up influencing the host of heaven who is heavenly Christians. As the result, they will be fallen and become worldly Christians, and accept divorce, abortion, and homosexuality.

8:11 Yea, he magnified himself even to the prince of the host, and by him, the daily sacrifice was taken away, and the place of the sanctuary was cast down.

The prince of host means the head of Christianity who is, of course, Jesus. However, the country of beast (the U.S) will put pressure to the churches and Christ gets kicked out only to be replaced by an anti-Christ in the church.

The daily sacrifice is also going to be taken away. This indicates that the correct message such as “there is no other salvation than Christ” will no longer be preached in the churches. “The place of the sanctuary was cast down” means that the foundation of the Christian church will be turned upside down.

Perhaps important doctrines such as “Christ is God”, “Salvation comes from Lord”, and “The cross saves us from sin” will be taken away from the churches.

Daniel 8:12 And a host was given him against the daily sacrifice by reason of transgression, and it cast down the truth to the ground, and it practiced, and prospered.

This means that messages preached in the churches will change from the right messages to sinful ones. They will be sinful messages like “Christ is not God”, “Your sin is not forgiven by the cross”, or “There is no judgment or hell”. Also, the truth of the Bible will be kicked out by the country of the beast. The Bible itself is going to be recognized as the book with many mistakes.

Let’s read Daniel 11 as well.

Daniel 11:30 For the ships of Chittim shall come against him: therefore he shall be grieved, and return, and have indignation against the holy covenant: so shall he do; he shall even return, and have intelligence with them that forsake the holy covenant.

This scripture already came to reality by Αντίοχος Δ' Επιφανής and this will happen again in End Times.

An anti-Christ will not be happy about the eternal covenant between Christ and Christians, therefore, tries everything to cancel it. “...**have intelligence with them that forsake the holy covenant**” indicates that bad Christians who threw away the covenant with Christ, therefore, are just like Esau who sold his right of the oldest child, will be exalted to the highest place in the church.

11:31 And arms shall stand on his part, and they shall pollute the sanctuary of strength, and shall take away the daily sacrifice, and they shall place the abomination that maketh desolate.

On that day, an anti-Christ will pollute the holy churches and force people to accept sinful doctrines such as homosexuality. He will also take away and ban the correct message, including salvation found in Christ.

Christ is going to be kicked out of the churches and anti-Christ will replace Him.

The Bible prophesizes terrible future like this and it is because of rebellious churches. We need to correct our behavior.

Dr. Eric Walsh was requested to submit his sermon note by the state of Georgia.

“Worship and Rock music” by H.F

Jesus tells us to judge the time, so what kind of time are we in right now?

There are different kinds of music everywhere these days: classical, rock, pop, healing, jazz, to name a few. We can also listen to the music any time through music players and Smartphone. The music is an important part of our lives as a hobby or the source of healing.

Since the 1960's, the rock music, like The Beatles, has gained popularity and many

people in the world have been influenced by it.

So, what kind of music is being played in the churches right now?

Many churches play Contemporary Christian Music with the electric guitars and drums and these worship songs are well supported in the U.S and Australia among the youth. Even Roman Pope has released a CD and Saddleback Church led by Rick Warren used John Lennon's "Imagine" for their promotion video. Kirk Franklin, Grammy award winner Contemporary Christian Music artist, is a very good friend of Kanye West who is rather a secular musician. What best describes this interesting situation?

2 Corinthians 6:14-17 says Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? And what communion hath light with darkness? (6:14)

And what concord hath Christ with Belial? or what part hath he that believeth with an infidel? (6:15)

And what agreement hath the temple of God with idols? for ye are the temple of the living God: as God hath said, I will dwell in them, and walk in them, and I will be their God, and they shall be my people. (6:16)

Wherefore come out from among them and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you.(6:17)

Lord warns us to stay away from dirty things in the world. However, the music in the churches is mixed with the secular music.

Some may think it is OK to sing rock worship songs as long as it brings people to the church, but you need to know the background of how rock music was born and the spiritual danger hidden behind. Rock music is demonic in its nature. We are just too used to it.

Many rock music has demonic lyrics and signals. The melody itself has a mind-controlling effect. Imagine playing loud music with consistent drum beats. It sounds engaging and stimulating and could encourage people to be rebellious, violent,

turn to drugs, and become sexually abusive.

The Beatles have influenced the world including the churches. As I mentioned, Saddleback Church used Imagine which is a kind of new age music. John Lennon stated that he didn't believe the Bible or Jesus. George Harrison was a Hindu. The Beatles, therefore, were used to make people staying away from Christ.

Katie Perry and Bono from U2 are said to be devil worshippers for example.

Surprisingly, successful musicians in the world are generally anti-Christ and worship Satan who controls the world. If you watch their promotional videos carefully, you may find that many rock musicians use satanic symbols and signs.

Because of this, we are unconsciously influenced by the rock music instead of Holy Spirit. Many Contemporary Christian Musicians respect worldly rock musicians such as The Beatles and are influenced by other Spirits than Holy Spirit. This means that there are often non-gospel messages found in their lyrics.

We need to know that the rock music itself has created to be against God. This could mean that worshipping with a rock song is unclean offering and will cause the wrath of God; what would you think?

Amos 5:21 I hate, I despise your feast days, and I will not smell in your solemn assemblies.

5:22 Though ye offer me burnt offerings and your meat offerings, I will not accept them: neither will I regard the peace-offerings of your fat beasts.

5:23 Take thou away from me the noise of thy songs; for I will not hear the melody of thy viols.

Lord says that He has had enough of unclean worships and offerings. It is terrifying that we are offering Him what He hates. Satan even tries to use our worship to trick us. It is such an era now, so each one of us needs to know the current era and stay awake as Lord instructed us.

The Beatles
